The Pro's Message

Welcome Spring! The golf course is beginning to take shape with the recent rain and the warmer temperatures. April is the start of several busy months at the club. We have many of our biggest golf tournaments of the year scheduled in the next 8-10 weeks.

The Marlboro Academy Golf Tournament and Bash will be held for the first time at Scotch Meadows Country Club on Saturday, April 9th. They will have an 18-hole Captain's Choice tournament followed by an evening Bash which will include casino games, a live auction, and a custom golf cart giveaway drawing.

The 2nd Annual John B. Searcy Memorial Golf Tournament is scheduled for Saturday, April 16th. John Searcy was a magistrate in Richmond County and the tournament benefits a scholarship fund at Richmond Community College in his memory.

The 30th Annual Scotland Regional Hospice Golf Tournament is scheduled for April 26th and 27th. You may sign up as a team of 4 or as an individual. The event has raised in excess of 3.5 million dollars for Hospice Care in our community since the first tournament in 1987. The tournament offers competitive golf, a silent auction like no other, a cocktail party and, most of all, lots of "fun." I encourage you to support the cause and join us for this classic event.

These are just a few events we will offer at the club. For a complete list or additional information, please check your monthly newsletters and weekly emails.

Have a great Spring, Chip

The Walsh Report ...

Scotch Meadows is more than just a golf course! We have a beautiful large swimming pool that is well taken care of. We have a beautiful and scenic golf course that has an abundance of wildlife and one of the better small streams in the area for fishing and canoeing. I would love to see more of our membership take advantage of the early mornings or late afternoons for a relaxing walk with your spouse, children or pet. I bring my Labrador Abby out every Sunday morning and it's the highlight of her week! If you enjoy nature and a pleasant stroll, you will not find a better place than our golf course.

Eric
