## The "WALSH REPORT" Returns!

It's good to be back. I've missed the friendly faces of our membership and staff.

We are currently getting ready for the transition from winter to spring.

If you have any questions or suggestions about the golf course, please feel free to discuss them with me.

Thank you, Eric Walsh

## SHOOTOUT TIME CHANGE

Beginning March 11th,  
the Sunday Shootout  
will move to a 1:00 pm  
starting time.

Due to the recent renovations in the bar area, our Clubhouse is now 100% Smoke-Free. Thank you for your cooperation.

## From Your Club President...

If we looked back over every entry the president makes in the newsletter, most of them will probably reference the weather and it is usually in conjunction with the greens. Well weather showed up as a different opponent in January. That long stretch of very cold days in January brought the club some trouble with the water lines and we had a break in the bathrooms behind the pro shop. I would be remiss if I did not recognize a few members who donated their time and effort to fix the pipes. Thank you Joe Lassiter, James Deaton, and Bruce Kirkpatrick.

February weather has improved immensely with a few days in the 80's. I hope everyone came out and enjoyed a round of golf to shake off the winter blues. For Valentine's Day, the social committee put on a great "Grill Your Own Meat" that was attended by approximately 80 people. Everyone had a blast – we celebrated Valentine's, birthdays and just good old fashioned fellowship. Many, many thanks to James & BJ Clark, Guy & Georgia Mulee, Jim & Tricy Whitley and David & Brenda Ganus for their hard work putting on the Valentine's Day Event.

The men's group who meets downstairs in the bar offered to chip in together to give the bar a facelift. With Board approval, they have made some noticeable improvements and it looks fantastic! I hope you have the chance to visit the bar downstairs to enjoy the changes. I would like to thank all of those who participated – Richard Wentworth, Dick Stang, James Deaton, Gene Hall, Robert Floyd, Bill Hill, John Horne, Donald Barringer, William Tatum, John Massey, Charles Todd, Joe Lassiter, Blake Caldwell, Mike Huber, Mac McIntyre, George Bennett, and Paul Davis.

**Our Valentine's Party and Table Decorating Contest was a huge SUCCESS!**

### **The Pro / Manager's Report**

The Golf Course Maintenance Staff has been working hard to prepare the course for the Spring season. The fairways, tees and around the greens have been sprayed to contain the development of foreign grasses. The greens have been aerified, top-dressed and fertilized to insure improved conditions as the spring and summer approach. With all this work completed, we still should expect some bare areas coming out of the cold winter months. We would like you to contribute to the "Mabry Grass/Sod Challenge Fund" to purchase replacement sod for these areas. Please donate \$1.00 each time you play golf. For every \$2.00 raised, Fred Mabry will donate \$1.00, up to \$1000. **LET'S MAKE FRED SPEND HIS MONEY!!** Chip

### **SPRING GOLF BALL SALE**

The Golf Shop will be offering sales on all lines of Bridgestone and on Titleist ProV 1 and ProV 1X golf balls:

**Bridgestone Tour B Series - (2) Dozen for \$70.00 (Reg. \$88.00)**

**Bridgestone E-6 Series - (2) Dozen for \$50.00 (Reg. \$64.00)**

**(Bridgestone while supplies last)**

**Titleist ProV1 and ProV1X - Buy (3) Dozen, Get 1 Dozen Free**

**(Titleist Loyalty Program ends April 22nd, 2018)**

**Golf Tip of the Month....When driving onto a narrow fairway, tee up the ball lower than you usually do. This can help reduce the spin that causes you ball to hook or slice. You may sacrifice a little distance, but it is better than hitting your shot in the woods or out of bounds.**
