We will provide salad, crackers, drinks and some dessert. If you are playing golf, you can plug in your crock pot before you play and Chip will keep an eye on it for you. ## From your President...

Fall is here and with it comes cooler temperatures and lots of opportunities to play golf. Many thanks again to Eric Walsh and his crew for their tireless efforts to keep our course in shape during the very hot summer. There are some great opportunities to play golf and enjoy being a member of Scotch Meadows. The ever-popular Pro-Am, Men’s and Women’s Member/Members, Sr. Club Championship and then charity events are the options you have in October. I encourage you to take advantage of the normally beautiful weather, the great course, the friendship, fellowship and friendly competition that can be found during a round of golf at Scotch Meadows!

Joel Hartwell

## September Bridge Winners

High – Phyllis Breeden

2<sup>nd</sup> High – Nancy Beacham

Low – Betty Decembrino

## The Walsh Report

Fall is here! What a brutal summer it was. I don't believe we have gone through a summer where the heat was so relentless. Our greens are recovering from the summer stress and should be back to normal this month. I would like to thank the Ladies Golf Association for providing ice cream and pop-sicles for the crew this summer. A big thanks to BJ Clark for providing a lunch for the crew during our greens aerification. I would also like to recognize and thank George Bennett for donating lumber that made it possible to patch the #10 bridge until we are able to do a proper renovation.

Eric Walsh

## The Pro's Message

The Golf Course is great shape after the recent aerification of the greens and will be in prime condition for our busy October. If you enjoy playing in charity events, club tournaments or our popular Pro-Am, you will have many opportunities this month. Please take time to review our schedule and let me know if you have any questions.

Every several years representatives from the CGA (Carolinas Golf Association) come to our facility to rate our golf course for handicap purposes. The rating team takes into consideration the length of each hole, the elevation and speed of the greens, hazards, bunkers, roughs and overall difficulty of holes. The following are the new ratings for Scotch Meadows:

|            |             |
|------------|-------------|
| Blue Tees  | 72.1 / 125* |
| White Tees | 70.5 / 118  |
| Gold Tees  | 65.7 / 111  |
| Red Tees   | 68.9 / 114  |

\*Course Rating / Slope

The new ratings are slightly higher than the old ones but will result in little or no change to your handicap.

## SMCC – ADOPT A HOLE PROGRAM

A few years ago we started the Adopt-a-Hole program at the club and it has worked very well, although we now have quite a few holes which need coverage. Due to financial cutbacks, Eric and the Grounds Crew are often stretched to the limit and don't always have time to do the "little things" that can help make a big difference in the appearance of the golf course. If you and your family or playing partners want to "ADOPT-A-HOLE", please see Jo or Chip. You sign up for a hole and then you and your spouse, children or friends can help maintain that hole. What a great way to spend time with the children and teach them to respect and take care of their golf course! What does it involve? Come out on a regular basis and check your selected hole. We will give you a cart any time you want to do so. *Note: The best time to go out and check your hole, especially if children are helping you, is in the evenings or late afternoon on the weekends when the course is not very busy.*

What you should do as a volunteer: Pull weeds or crab grass in the fairways, sand traps, cart paths or natural areas, fill divots with sand, repair ball marks on the green, pick up litter, pick up broken tees, rake sand traps if needed, and pick up excessive pine cones.

What you shouldn't do as a volunteer: trim trees or shrubbery, plant flowers without permission/approval from Eric, or use any kind of weed killer on fairways or greens.

We will have a sign-up sheet in the golf shop for all 18 holes and also one spot for "around the clubhouse and golf shop".

We have a lot of tournaments coming up in the next couple of weeks so now is a great time to assist with this program. Sign-up in the golf shop and start helping today!
