Swimming Pool News

Our swimming pool closes for the year on Monday, September 7th (Labor Day). As we finish up the season it always becomes difficult to schedule available life guards. The pool will remain open regular hours but there will be times there will not be a guard on duty and the

"Swim at your own Risk" sign will be posted. If the sign is posted, two people must be present in order to swim, and children under 14 must be accompanied by an adult.

Thank you to our 2015 life guards for their work, providing a safe place to enjoy family fun. The best of luck to our guards as they continue their education in high school or college.

Scotch Meadows Pro-Am

The 2015 Carolinas PGA Pro-Am at Scotch Meadows Country Club is scheduled for Wednesday, October 14th. The unique format pairs three amateurs with a club professional in a two-net Best Ball competition. This tournament continues to be one of the most popular events we offer to our club members. Sponsorships are needed to help make the Pro-Am tournament a success; sponsors will be given first priority.

Please sign-up for sponsorships and/or participation as an amateur player in the golf shop.

The Pro's Message

The Match Play Championship was a huge success and I would like to congratulate our Scratch Champion Will Morgan and our Net Champion Joel Hartwell. Will defeated Joel 2 and 1 in the final scratch match and Joel defeated Ted Rogers 2 up in the net division. Both matches were very competitive and a good crowd was on hand to witness each of the final matches. A group of 33 participants showed off their golf games throughout the event. Thank-you to Jo Caldwell for keeping our membership updated via email and Facebook on the various matches.

The Exteriors "R" Us Scotland Area Championship held in early August was a 3-day event with Friday's round at Cypress Creek, Saturday's round at Deercroft and the final round on Sunday at Scotch Meadows Country Club. Will Morgan defeated a strong field of challengers for a (-18) 54 hole total. A complete list of flight winners is in this newsletter.

The *Folds of Honor / Patriot Golf Day* is September 4th through 7th (Labor Day Weekend). "Folds of Honor" provides post-secondary educational scholarships for children and spouses of military service men and women killed or disabled while serving our great nation. If coming to the club during these dates, please consider donating for this worthwhile cause. The goal of the "Folds of Honor" organization is to have at least \$1.00 donated for every round of golf played during Labor Day weekend. We will have a donation box on the golf shop counter.

Chip

From your Club President...

It seems that our 100 degree days are behind us. What better way to enjoy this cooler weather, than 9 holes after work or school? With the start of our local schools, you will begin to see several golf teams out on the course as golf is a Fall sport for the Scotland High women's team, as well as the St. Andrews men's and women's teams. We are proud that SMCC is the home course for these student athletes! This is a great time of year to enjoy our course - don't miss it! Looking forward to seeing you!

Introducing Scotch Meadows Country Club "Trial" Membership \$100 per Month for a 12-Month Period Begins September 1st, 2015

After twelve months the "Trial" Membership will end and the normal \$140.00 monthly rate for a Full Membership will take affect. "Trial" Members will have all the benefits of our Full Members. We ask that "Trial" Members commit to at least 12 months of membership and that monthly dues be bank drafted. This is to encourage people to try out our club and facilities and encourage them to join fulltime. Please pass the word to your friends and family who may have been "on the fence" about joining. *More members will help us keep our monthly dues as affordable as possible.*

Ladies Golf Association

The SMCC Ladies will begin the Fall season on Tuesday, September 1 with a 9:00 am meeting and golf at 9:30. On Tuesday, September 8th they will host the "Matchmakers" League then will resume regular Tuesday Play Days on 9/15. Please call the golf shop by 8:30 on Tuesday mornings if you want to play that day. All lady golfers are encouraged to join in the fun. We will create pairings for those wanting to play 9 holes vs. 18 holes. Dues for the 2015-2016 year are \$35.00 and should be paid at the September meeting.

Scotch Meadows

Fall Aerification

We will aerify our greens during the first two weeks of September. The exact timing will depend on the weather forecasts and conditions, such as if Tropical Storm Erika heads in our direction.

The greens should be back to normal in 4-5 weeks, just in time for our busy month of October.
